**Dear Anthony,**

I want to thank you for finding Adoption Resources of Wisconsin (ARW) on Twitter and for introducing us to Autograph Store. Partnering with you for our 14<sup>th</sup> Annual Adoption Month Gala was one of the highlights of this year and I look forward to working with you and Autograph Store in the future.

I have to say that, at first, both our Director of Development and I were a little skeptical. It just sounded too good to be true! But now, having used your services to great success, I can honestly say that I wouldn't hesitate to use your services again or recommend you to other non-profit organizations and charity groups. The entire process was hassle-free and easy, which truly made my job a lot easier on my end. I think the most difficult part of working with Autograph Store was deciding which item to purchase!

As you know, we purchased a Bruce Springsteen autographed guitar for our event. We posted the item on our online auction and quickly had a bid. We took that bid to the live auction on the night of our gala and increased it from \$1,700 to \$2,500! Our winning bidder was happy and so were we. I'm really looking forward to planning our next event and once again taking advantage of your offer to help us raise funds to support ARW.

**Thank you for everything!**
