Dear Mr. Nurse:

I just wanted to drop you a note to thank you for helping us to make our 25th Anniversary Gala such a wonderful success. I was looking for something new and different to offer to our partygoers and you helped me to achieve that goal.

Your autographed memorabilia was incredible – a guitar signed by Paul McCartney and Eric Clapton – who would imagine. Drumheads signed by the Rolling Stones – our guests were in total awe!

You helped me to create an extraordinary experience for our guests and for that we are most grateful. We raised thousands of dollars at this event – funds that will be used to help support the programs and services we offer to our Long Island families coping with the challenges of Alzheimer's Disease.

Again, thank you for making this a simple process that helped us to raise much needed funds. We look forward to doing this again in the near future.

Best wishes for a Happy Holiday Season!

Sincerely,

alzheimer's association long island
