Dear Anthony:

Thank you for providing such quality items for our annual Auction and Dinner Gala to benefit our Boys and Girls Clubs of North County in Fallbrook CA.

Your items were presented to us in a very professional manner and really created a buzz amongst our guests. They helped us raise much needed funds for our organization

On behalf of our board of directors, our staff and especially the 1500 plus members we serve, we thank you for helping us maintain our image as the "Positive Place for Kids"

We look forward to working with you in the future.

Sincerely,

Abe Oliveras/CEO
