Dear Anthony:

I want to take a moment and thank you for your assistance with our Inaugural Pink Tie Gala held on February 28, 2009 to benefit the Florida Suncoast Affiliate of Susan G. Komen for the Cure®. The Autograph Store played a vital role in the success of our silent auction.

This was an inaugural event for our Affiliate and our "first year committee" really appreciated the ease of use of your program. We were able to hand pick quality items to offer with absolutely no effort in obtaining them and no risk to our budget. The items arrived to us in perfect condition and our guests were amazed at the caliber of items we had available. We were even able to offer the same item to the two highest bidders by contacting you and simply making arrangements to ship a second. It resulted in more profit for our event and even better, very happy winners!

I have and would continue to recommend the Autograph Store to anyone planning a charity event. Your items truly are a No Risk/All Reward solution for offering amazing products that guests love to bid on resulting in a very successful event.

Again, thanks so much for introducing us to your program - it made a world of difference!

Sincerely,

A handwritten signature in blue ink, appearing to read "Melissa A. Johnson".
