Anthony Nurse  
The Autograph Store  
370 Pleasant view Avenue #256  
Hackensack, NJ 07601

Dear Anthony,

Thank you so much for your participation with the National MS Society Connecticut Chapter on our 31<sup>st</sup> Annual MS Dinner of Champions. The Connecticut Chapter's *MS Dinner of Champions* was established in 1978 and honors outstanding corporate leaders and champions of the sports industry who have made significant contributions within their own organization and in the community at large. With over 250 guests in attendance the items we received from the Autograph could not have been better received.

The "hit" of the evening was the Bruce Springsteen autographed guitar which sold at our live auction for an amazing \$10,000.

The dollars raised on your items fund the many programs and services provided by our chapter to more than 6,000 Connecticut residents – and their families – affected by multiple sclerosis. It will also support vital research to find the cause, new treatments and a cure for MS.

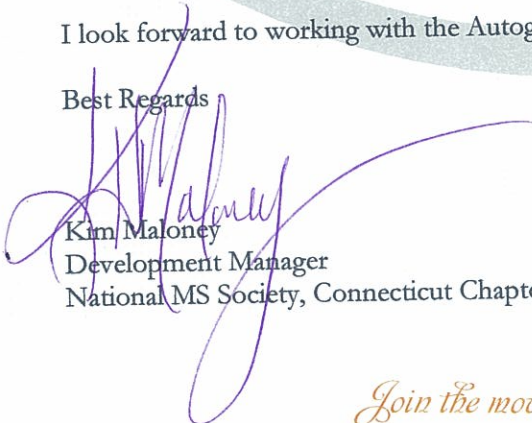

Multiple sclerosis is a chronic, often-disabling disease of the central nervous system, which generally strikes young adults between the ages of 20 and 50. The mission of the National MS Society is to end the devastating effects of multiple sclerosis. We appreciate your generous support of our efforts to achieve this mission in Connecticut.

You made the process simple and easy from beginning to end. From the choosing, delivery and selling it was all done with such ease and organization.

Our 32<sup>nd</sup> annual Dinner of Champions has been scheduled for November 11, 2010 and you will definitely be hearing from me!

I look forward to working with the Autograph Store in the future.

Best Regards

Kim Maloney  
Development Manager  
National MS Society, Connecticut Chapter
