The Orange County Chapter Texas holds an annual fundraiser to support our programs throughout our six counties. The event begins with the Paint the Town Red Auction and dinner on Friday night. This year we selected several items from the Autograph Store.

The Autograph Store staff were wonderful to work with and very easy to reach for questions. They helped to make our experience pleasant and insured our return.

The items the Autograph Store sent were amazing. We brought several of the items to meetings leading up to the event, such as Rotary. After the community had the opportunity to see the items our ticket sales greatly increased. The event was a great success. The following day at the Swing Red Golf Tournament the buzz on the course was the night before and the wonderful auction items!

Thank you for making our event a class act!

Sincerely,

Janie Johnson
